Sure! I didn't mean to discourage you from reviewing, of course - I always welcome your careful review. Just didn't want to pile things on ☺

I'll be looking at this in the morning in case you do have time/interest in reviewing, just let me know.

Thanks for your great work!!

Hi Mai –

Here is the draft cover letter. I haven't looked at it yet but will do so later today or tomorrow. No need for you to worry about it – I know you're working on the other letter. Just wanted to keep you looped in.

Thanks, Kimi
